IMPORT TRADE CONTROL.

New Delhi, the 19th August, 1952.

Press Release.

No. 13—I.T.C. (Press.)—52. The Government of India have announced their import policy for art-silk yarn for July-December 1952. Licences will be given to Actual Users, namely the three Art-Silk Mills' Associations in Bombay, Calcutta, and Amritsar as well as to the non-member mills. The Public Notice announcing this says that import licences for art-silk yarn for approximately Rs. 9 crores (Rupees nine crores) in value are outstanding and this should normally be sufficient to meet the internal demand. In order, however, that there is no speculative rise in the prices, it has been decided to arm the larger consumers with licences which they can utilise in case there are any signs of hoarding. Applications have to be made to the Chief Controller of Imports by the 22nd September 1952.
